Product type	1CH Smart WiFi6 Switch Module																					
Input	AC 110-240V 50/60Hz																					
Output	Max 8A/2000W @240V AC																					
Power monitoring	Support																					
WiFi Signal replication	Support																					
WiFi Protocol	WiFi 6																					
Operation range	<100m																					
Dims (W*D*H)	34*29*17 mm																					
IP rating	IP20																					
Certificates	CE RoHS
