

<h1>Smart Socket</h1> <h2>User Manual</h2> 	<h3>1.Specification</h3> <table border="1"> <tbody> <tr><td>Rated power:</td><td>3500W</td></tr> <tr><td>Rated voltage</td><td>100V-240V</td></tr> <tr><td>Rated current:</td><td>16A</td></tr> <tr><td>Operating temperature and humidity:</td><td>0-40°C; 10%-90%RH</td></tr> <tr><td>Power consumption statistics:</td><td>yes</td></tr> <tr><td>Connection protocol:</td><td>WiFi2.4GHz/Zigbee3.0</td></tr> <tr><td>Transfer specification:</td><td>European standard to European standard</td></tr> <tr><td>RGB lighting:</td><td>red / white / blue / green</td></tr> <tr><td>Waterproof rating:</td><td>IP20</td></tr> </tbody> </table> 	Rated power:	3500W	Rated voltage	100V-240V	Rated current:	16A	Operating temperature and humidity:	0-40°C; 10%-90%RH	Power consumption statistics:	yes	Connection protocol:	WiFi2.4GHz/Zigbee3.0	Transfer specification:	European standard to European standard	RGB lighting:	red / white / blue / green	Waterproof rating:	IP20	<h3>2.Indicator Light Description</h3> <ol style="list-style-type: none"> Blue color: The plug is turn off. White color: The plug is turn on. Green color: The plug is on and loaded Red color: The plug load reaches 80% of the full load, reminding you not to work in this state for a long time. Blue color and flashing: Network connection status 	<h3>3.Network Connection</h3> <p>WiFi</p> <ol style="list-style-type: none"> Scan the QR code to download "Smart Life"APP  <p>Smart Life App</p> <ol style="list-style-type: none"> Long press the button for more than 3 seconds until the indicator light begin to flash quickly, this means the device is already for configuration. 
Rated power:	3500W																				
Rated voltage	100V-240V																				
Rated current:	16A																				
Operating temperature and humidity:	0-40°C; 10%-90%RH																				
Power consumption statistics:	yes																				
Connection protocol:	WiFi2.4GHz/Zigbee3.0																				
Transfer specification:	European standard to European standard																				
RGB lighting:	red / white / blue / green																				
Waterproof rating:	IP20																				
<p>3. Make sure your mobile phone is connected to 2.4G WiFi and turns on Bluetooth, then open the ("Smart Life"APP), Click "+" (Add sub-device) to select the device and follow the on-screen instruction for pairing.</p> 	<p>Zigbee</p> <ol style="list-style-type: none"> Scan the QR code to download "Smart Life"APP  <p>Smart Life App</p> <ol style="list-style-type: none"> Make sure the Zigbee gateway is connected to the app. Long press the button for more than 3 seconds until the indicator light begin to flash quickly, this means the device is already for configuration. 	<ol style="list-style-type: none"> Enter the gateway connection interface, choose the zigbee device, Click "+" (Add sub-device) and follow the on-screen instruction for pairing. 	<h3>4.Precautions</h3> <ol style="list-style-type: none"> Do not disassemble the smart socket yourself - contact support for repairs. Keep away from liquids to prevent short circuits. Use dry cloth only - avoid cleaning with liquids/detergents. Do not place near open flames or heat sources. Unplug during thunderstorms. Ensure proper ventilation and avoid stacking sockets.  <p>Product installation video</p>
